Hiring outlook positive: 45% employers to hire in FY26

PRESS TRUST OF INDIA Mumbai, April 12

THE HIRING OUTLOOK for this financial year remained positive as 45% of employers interviewed said they plan to hire for new permanent positions, are port said on Saturday.

A significant 45% of employers plan to hire for new permanent positions, while 13% plan to replace manpower in their existing positions, workforce solutions and HR services provider Genius Consultants said in a report-Hiring, Compensation & Attrition Management Outlook Survey for 2025-26.

The report is based on insights from 1,520 CXOs and senior-level dignitaries of organisations across various industries for the upcoming financial year.

The report further revealed that the growth of the importance of temporary hiring is widely visible, as 26% of the employers focus on temporary, contractual, or project-
